A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated,

BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER,

1 vol octavo, 540 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E Lee, and Gen Nathaniel Greene; beautiful Steel Engravings of "Marion Crossing the Pedee," and the "Surrender of Cornwallis:" Maps of the Siege of Charleston, S. C; the Siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

The first history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives a LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICES:—Handsomely bound in Cloth, $4 00.

MISCELLANEOUS.

NOTICE TO THE ENTERPRISING.

I PURPOSE TO LEAVE HOME, ABOUT THE 10th of January next, for North West Louisiana, and wish to engage from 12 to 20 able bodied men, black and white (small families no objection) to open up to Cotton cultivation, several tracts of Land, partially improved; consisting of choice selections of uplands on, and near the West Bank of the Ouachita (called Washita) River; and bottom lands on the East side of said River, as also on the Bœuf River and its tributaries All immediately on navigable streams; and producing 1½ to 3 Bales Cotton per acre under good cultivation and favorable seasons. They abound in the very best Stave and Shop Cypress, and pine timber. Cord wood for steamboats and Rafting timber for the Sugar plantations, lower down on the Mississippi River. Health about equal to that of Eastern North Carolina.

Enterprising men willing and competent to embark in the lumber business, in any of its forms, will find a most ample field for large profits. The price of Cypress plank is from $25 to $35 per thousand; of pine from $20 to $25, both greatly in demand along the Ouachita and its navigable tributaries. Day laborers get good rations and 15 to 20 dollars per month; Mechanics from 2 to 6 dollars per day.

Shoemakers, Tanners, Blacksmiths, Wheelwrights and especially Gin-wrights can find ready employment in the vicinity of these lands. About $30 emigrant rates, and about $60 Passenger rates only, will be required, to get each one through. I propose to superintend in person as many of these places, as I can procure suitable settlers for each emigrant when arrived, may according to agreement, work for wages, or on shares; or may purchase the lands on 3 years credit paying 8 per cent. interest on the present agreed price.

ALSO,

Wanted, Tenants, for Four small places in Franklin county lying six miles from Franklinton Depot, in good condition for the next crop. I can furnish a few superior cows and stock hogs for all these places, upon easy terms to the occupant.

JOSIAH TURNER, Jr., EDITOR.

WEDNESDAY, DECEMBER 8, 1869.

"CONTINGENCIES."

Is looking over the report of our State Treasurer, we notice an item under the disbursement table, of "contingences." After itemizing monthly payments from 1st Oct. 1868 to 1st Oct. 1869, to the Executive, Legislative, and Judiciary departments, the Insane and the Deaf and Dumb Asylums, paying Sheriffs for collecting taxes, rewards for absconding criminals, Adjutant General, all the Superintendents, Public Works, Education, Public Buildings &c, Printing, Binding, Artifical Limbs and various other things—*after* all these regular entries, the contingencies are put down at $76,406,64! Seventy six thousand, four hundred and six dollars and sixty four cents—a sum greater than was collected in taxes *from the entire State* for all State purposes in 1867.

Truly ours is a government of *contingencies*—a very *contingent* government. But what are all these *contingencies* about? the tax payer will ask. The Lord in Heaven knows; *we* can't tell. How the *contingent* expenses of the State Government should amount to over seventy six thousand dollars, is far beyond our powers of guessing. But there it is, the Treasurer reports it; the people have paid it; and it is now in *somebody's* pocket

GEN. MILTON S. LITTLEFIELD.

Where is he? Where should he be? Why is he not in Raleigh? His business is here—he runs the *Standard*—he is State Printer—he is President of the Western N. C. Railroad, Western Division—he has in his pockets some six millions State bonds, or ought to have, although he has given no security for this large amount of the people's money.

With all this money, or bonds, however, the Gen. seems a little cramped, financially, as he has not taken up that little balance due Backalan for the whisky he sold him to treat the hands with, last winter.

Since writing the above the Tallahassee *Floridian* has come to hand, which informs us that the General arrived at the Capital of the land flowers one day last week. Can't the Committee of the Whole get him back before it by telegraph?

Perhaps the Wilmington *Post* will use its influence to induce him to return to sue the editor of the SENTINEL "for slander." It may be, however, that Littlefield would not have much regard to the advice and influence of such a scurvy, brass-faced, bandy shanked, ill-bred, scamp as he, no doubt, looks upon the writer of the article in the *Post* to be; and we think the committee would act wisely to try some more decent instrumentality of bringing the absconding Railroad President to the touch-stone.

We clip the following from the Philadelphia *Age* of the 4th:

NORTH CAROLINA.—For delicacies substantial and variety of products North Carolina certainly has the lead. Her gold mines have been among the most productive; her lumber is noted in every city in the North; Wilmington, her principal city, is the great naval store depot of the world. Aside from this, we have her fruits, of which millions of pounds are dried and forwarded to this market. We saw in the warehouse of Messrs. Springs, Osborne & Co., 125 North Water street, the most beautiful samples of dried apples we have ever seen, consigned them by Messrs. R. S. Gilmer & Son and J. M. Brower & Bro., of Mount Airy, North Carolina, and sold at the unprecedented price of 25 cents per pound in this market. This is but a foreshadowing of what North Carolina will do in the future. With energy and capital she can be made the Eden of the Union.

COMPARISONS ARE "ODOROUS."—The Newbern *Times* boasts against Wilmington and Raleigh, of four big stores they have down there, and says they "can't be beaten." We could form a better idea of the capacity of these wonderful stores, if the Times would send them up here and empty them all into Tucker's large Dry Goods Store, or Upchurch & Dodd's new wholesale and retail Grocery establishment, or R. P. Williamson's new store, which by the way, is one of the finest buildings in the State. Bring them up, neighbor, and let's measure them.

For the Sentinel.

A CARD FROM MR. HELPER.

To the Editor of the Raleigh Sentinel:

SIR:—I have seen it stated in the newspapers, that certain members of the Legislature, from factious impulses, or from motives exclusively their own, have voted for me for Clerk of the House of Representatives. That any such preposterous action was ever contemplated or intended, I had not the slightest intimation until I saw it published. It would be a matter of regret with me to suppose that any man, possessed of a good heart and a well balanced mind, would even do me the injustice to believe that I would or could, under any conceivable circumstances, accept any office, however high or however humble, that could possibly be offered me by the Radical party, or by any other unnatural progeny.

HINTON ROWAN HELPER.

Mr. Helper is mistaken, H. A. Helper was voted for in the Senate, not in the House.

TUESDAY, Dec. 7, 1869

The Senate was called to order at 10 o'clock.

Bill to amend an act relating to the Asheville and Murphy Turnpike Road.

Bill to charter the Whitesides Mountain Turnpike Road.

Bill to amend the charter of the several Railroads.

Bill to amend section 19 chap. 184 of the public laws of 1868 '69.

Bill to amend and consolidate the several acts relating to the organization of the University.

Bill to authorize the Commissioners of Granville County to levy a special tax.

Bill for the relief of the sureties of J. W. C. Percey, late Sheriff of Cherokee Co.

Mr. Cherry, from the Committe on Education reported unfavorably on the bill to amend section 3, chap. 184, of the laws of 1868 '69.

Mr Mason, from the Committee on Internal Improvements reported unfavorably on the bill to suspend work on the Asheville and Marion Turnpike Road and all of its branches.

INTRODUCTION OF BILLS.

By Mr. Davis: A bill to amend an act authorizing the County Commissioners of Cumberland, to levy a special tax, "so as to allow the Commissioners to use for the maintenance of the poor, *and for other purposes*, four fifths of the money authorized to be collected by said act."

CALENDAR.

Resolution authorizing compensation to G. O. Spooner, for clerical services rendered in the office of the Superintendent of Pubic Works. Passed its first reading.

Resolution authorizing the Public Treasurer to pay a claim of M. A. Bledsoe, against the State.

Mr. Hayes moved to amend the resolution so as to require a part of the payment to be made IN STATE BONDS AT PAR.

Mr. Davis, urged the adoption of the amendment.

Messrs. Jones, of Mecklenburg, Winstead and Beall, opposed it, and it was rejected by the following vote:

AYES—Messrs. Bellamy, Burns, Colgrove, Cook, Davis, Hayes, Harrington, Jones, of Columbus, Legg, Martindale, Smith and Stephens—12.

NAYS—Messrs. Barnes, Beall, Beasley, Beeman, Etheridge, Eppes (col), Forkner, Galloway (col), Jones, of Mecklenburg, Lassiter, Lindsay, Love, Mason, Melchor, Moore, of Yancy, Murphy, Robbins, Scott, Shoffner, Welker, White, Winstead and Wilson—23.

The resolution then passed its second reading. Ayes 23, nayes 16.

On motion the vote by which the bill relating to the duties of the County Commissioners of Henderson County in certain cases, was rejected, was reconsidered, and the bill passed its final reading.

A message was received from the House transmitting a resolution proposing to adjourn on the 20th of December to meet again on the 10th of January, which was adopted.

By leave Mr. Moore, of Yancey, introduced a resolution providing that the General Assembly shall adjourn *sine die* on the 20th Dec. 1869.

By leave Mr. Jones, of Mecklenburg, introduced a bill to amend an act to provide for a system of public instruction: referred.

SPECIAL ORDER.

Bill for the relief of E. H. Ray, late Sheriff of Wake county, was discussed at some length, amended, and finally on motion of A. H. Galloway (col.) was indefinitely postponed.

Bill to repeal certain acts making appropriations to Railroad companies, and a resolution proposing to withdraw the State bonds from market, were on motion of Mr. Welker referred to the Committe on the Judiciary.

The point of order raised by Mr. Robbins on yesterday, "that a tender of resignation by a member of the Senate necessarily vacates his seat, and it is not in order for the Senate to take any action upon it, either in the way of accepting or refusing to accept such resignation," was then taken up.

The President said, I will again state why I hold the point of order, made by the Senator from Rowan, not to be well taken. If a Senator's resignation is bound to be accepted by the Senate as soon as tendered, he may be guilty of some gross violation of law and of the rules of order, and may avoid expulsion or censure, or such other punishment as his conduct deserves, or which this body may choose to inflict, simply by *tendering* his resignation. A Senator may be guilty of an offence, during a recess, which is wholly unworthy of the high position which he occupies, calculated to bring scandal upon this body and reproach upon himself, and, if he, by simply tendering his resignation, can vacate his seat, he may well defy this body and thus escape the punishment which he may richly deserve. It would be an unwise and dangerous precedent. Again, if a Senator, during vacation, forwards his resignation to the Governor, for good cause shown, he, the Governor, may refuse to accept it, and may refer the same, with his reasons for refusing to accept, to the Senate upon its reassembling, so that there may be an investigation. A Senator may rise in his place in the Senate Chamber, defy all the authority of the State, of the people and of the Senate, with perfect impunity and cast imputations upon the body of which he is a member, which are unjust, ungenerous and false, if he can, by tendering his resignation, vacate his seat and put himself beyond the reach of the only tribunal which can take cognizance of his offence.

The Chair, also, thinks that the Senate ought, as a matter of course, to accept the resignation now tendered because the Senator from the 4th District has always, during the sessions as well as during vacations, demeaned himself as a gentleman and as an honorable Senator, and there are no charges against him.

The Chair would further say, that the point of order raised by the Senator from Rowan has already been decided by this Senate adversely to him, in that the Senate did heretofore permit the Senator from the 4th District to withdraw his resignation, and did also entertain and vote upon a motion made to accept the resignation of the Senator from the 38th Senatorial District. The Chair, therefore, deems the question already adjudicated, and if the Senate now sustain the point made by the Senator from Rowan, it will ignore what it has heretofore done on the same question.

Messrs. Robbins, Sweet and Jones, of Mecklenburg, argued against the position taken by the Chair, and cited numerous precedents to sustain their position; among them Mr. Sweet alluded to the case of Preston S Brooks, in his assault on Sumner, and of O. B. Mattison, a member of Congress who had serious charges preferred against him, a Committee was appointed to investigate the case and reported a resolution of expulsion; before any action could be taken, Mattison tendered his resignation to the Governor of his State, and the resolution to expel him was laid on the table, as it was decided that he was no longer a member of the House, and consequently no further action could be taken in the case.

The question was put, "shall the decision of the Chair be sustained," and decided in the affirmative by the following vote:

YEAS.—Messrs. Beall, Beasley, Beeman, Bellamy, Burns, Blythe, Colgrove, Cherry, Davis, Eppes, (col.) Forkner, Harrington, Jones, of Columbus, Legg, Long, Moore, of Yancey, Smith, Welker, White and Winstead.—20.

NAYS.—Messrs. Barnes, Brogden, Cook, Etheridge, Galloway, (col.) Hayes, Jones, of Mecklenburg, Lassiter, Lindsay, Love, Mason, Martindale, Melcher, Murphy, Robbins, Scott, Shoffner, Sweet and Wilson.—19.

The resignation of the Senator was accepted.

On motion the Senate adjourned.

HOUSE OF REPRESENTATIVES.

TUESDAY, Dec. 7, 1869.

House met pursuant to adjournment.

Leave of absence was granted to Messrs. Parker and Gunter.

Mr. French arose to a question of privilege in regard to some remarks of Mr. Jarvis yesterday when the question of the Committee going to New York was discussed.

REPORTS OF COMMITTEES.

Mr. Sinclair, for the Committee on Private Bills reported upon several bills, which were placed upon the Calendar.

RESOLUTIONS AND BILLS.

By Mr. French, a resolution in favor of W. S. Wiggins and J. C. Harper. Referred.

By Mr. Long, of Richmond, a resolution in favor of P. W. Stancill. Referred.

By Mr. Vestal, a bill to amend Section 2 Chapter 32 of the public laws of 1868 69. Referred.

On motion of Mr. Sinclair, the rules were suspended and the bill in favor of J. P. Matheson, of Alexander, was taken up and passed its several readings.

On motion of the same the rules were again suspended and the bill in favor of G. W. Wynne, former tax collector of Hertford, was taken up and passed its several readings.

A message was received from the Senate transmitting various resolutions and bills which were appropriately disposed of.

Mr. Pou offered a resolution that the Public Treasurer be directed not to pay interest on the coupon bonds issued for the purchase of a Penitentiary site.

Mr. Pou said that a similar resolution had passed the Legislature last session but owing to some *strange omission*, it did not appear among the public laws.

On motion of Mr. Pou the rules were suspended and the resolution passed its second reading by a vote of yeas 89, nays 0.

The resolution then passed its third reading and was ordered to be sent to the Senate.

By Mr. Moore, of Chowan: A bill to lay off and establish a new county by the name of Dare. Lies over.

UNFINISHED BUSINESS.

The motion to reconsider the vote by which the resolution raising a Committee of three to proceed to New York, to investigate the rules and manipulation of North Carolina bonds.

Mr. Moore of Chowan, spoke for some time in favor of a reconsideration. He opposed the resolution on the ground that the Committee would be useless and powerless in New York.

Mr. Welch argued at length against the motion.

The gentleman (Mr. Durham) who introduced the resolution thought he could ferret out some fraud by going to New York. Why not then let him go? Every man who voted for these appropriations, and especially the Railroad Presidents, should be anxious for it. If Mr. Durham shall come back and be compelled to report to this House that he could find nothing then, that will redound to the benefit of the Republican party. He (Mr. Welch) could not understand why every proposition looking towards investigation should be so strenously and persistently fought. Gentlemen fight this resolution as they say on account of the expense, the whole matter would not cost $500, and surely this is a most insignificant sum when millions are involved, &c.

Mr. Ingram said all this opposition to every proposition looked very much like a shirking an investigation.

Mr. Pou said he should support every proposition looking towards investigation. He could not understand why gentlemen should oppose any measure which might tend to aid in this investigation, &c. He opposed any reconsideration.

Mr. Downing said he saw from the SENTINEL that the information could be had from New York without the Committee going there, therefore, he was in favor of the reconsideration.

Mr. Seymour thought the House would make itself ridiculous by sending the committee to New York. He proceeded to some length in favor of the reconsideration &c.

Mr. French, spoke for some time in favor of the reconsideration. He repeated in substance the same arguments that were used on former occasions.

Mr. F. called for the previous question.

Mr. Malone desired to be heard and requested Mr. French to withdraw the call.

Mr. French refused.

The call for the previous question was sustained.

The question recurred upon the motion to reconsider.

The yeas and nays were called and the motion to reconsider was adopted by the following ballott.

YEAS.—Messrs. Ames, Ashworth, Barnett, Carson, Carey, Cawthorn, Cherry, Crawford, Downing, Eagles, Forkner, Foster, Franklin, French, Gahagan, Graham, Gunter, Hendricks, Hilliard, Hodgin, Hoffman, Horney, Hudgings, Justus, of Henderson, Justice, of Rutherford, Leary, Long, of Richmond, Mayo, Mendenhall, Moring, Moore, of Chowan, Morrill, Peck, Price, Ros, Renfrow, Robbins, Reynolds, Seymour, Sinclair, Simonds, Smith, of Martin Snipes, Stanton, Stevens, Stilley, Sweat, Sykes, Vestal, Vest, Waldrop, White, Williamson and Wilson—34.

NAYS.—Messrs. Argo, Armstrong, Barnes, Clayton, Davis, Davidson, Durham, Ellis Ellington, Ferebee, Gibson, Harris, of Franklin, Hawkins, Hicks, High, Hinnant, Hodnett, Humphries, Ingram, Jarvis, Kelly, of Davie, Kelly, of Moore, Long, of Chatham, Malone, Matheson, McMillan, Moore, of Alamance, Nicholson, Painter, Pou, Shaver, Smith, of Alleghany, Smith, of Wayne, Thompson, Welch, Whitley, Williams, of Harnett, and Williams, of Sampson—32.

The question recurred upon the adoption of the resolution.

Mr. French moved to indefinitely postpone the whole matter and upon that motion called for the previous question.

The call was sustained.

The motion to indefinetly postpone was then rejected by the following ballott:

YEAS.—Ames, Ashworth, Blair, Candler, Carson, Carey, Cawthorn, Cherry, Crawford, Downing, Eagles, Forkner, Franklin, French, Gahagan, Graham, Gunter, Hodgin, Hudgings, Justice, of Rutherford, Mayo, Moore, of Chowan, Morrill, Peck, Price, Renfrow, Robbins, Seymour, Simonds, Stevens, Stilley, Sweat, Waldrop.

NAYS.—Argo, Armstrong, Banner, Barnes, Clayton, Davis, Dobson, Durham, Ellis, Ellington, Fetel, Gatling, Gibson, Harris, of Franklin Hawkins, Hendricks, Hicks, Hilliard, High, Hinnant, Hodnett, Humphries, Ingram, Jarvis, Kelly, of Davie, Kelly, of Mrs, Leary, Long, of Chatham, McCanless McMillan, Mendenhall, Moore, of Alamse, Nicholson, Painter, Pou, Robinson, Shaver, Sinclair, Smith, of Martin, Smit of Wayne, Snipes, Stanton, Sykes, Thomson, Vestal, Vest, Welch, White, Whitley, Wilkie, Williams of Harnett, Williams, Sampson, Williamson, Wilson.

Mr. Seymour then moved lay the resolution on the table.

The yeas and nays were cad and resulted in the adoption of the motion by the following ballot:

YEAS.—Ames, Ashworth, Bndt, Blair, Carson, Carey, Cawthorn, Chry, Crawford, Downing, Eagles, Forke, Foster, Franklin, French, Gahagan, Gam, Gunter, Hendricks, Hodgin, Hoffm, Horney, Hudgings, Justice, of Rutherd, Kelly, of Moore, Leary, Long, of Richmd, Mayo, Mendenhall, Moring, Moore of Chowan, Morrill, Peck, Rea, Renfw, Robbins, Reynolds, Seymour, Sincr, Simonds, Smith, of Martin, Snipes, Staton, Stevens, Stilley, Sweat, Vestal, St. Waldrop, White, Williamson, Wilso—Yeas 52.

On motion of Mr. Fresh, the bill in relation to re-endowing the University was made special order for to morrow at 12 o'clock.

SPECIAL ORDER.

Committee of the Wide to investigate alleged Railroad frauds.

Mr. Pou in the Chair.

The clerk read the proceedings of the last sitting of the Committee.

Mr. Downing said he oped the gentlemen who sought this Committee would now bring forward their witesses and not let the Committee sit wit their fingers in their mouths.

Mr. Durham said tat the action of the Republican party to the last few days had satisfied him that a fair investigation was going to be allowed. The Republican party had just voted down a measure that would have resulted in disclosures in these patent rascalities. He saw every avenue to a full investigation was going to be stopped up, and the investigation was to be conducted by Republicans and in a Republican manner. He now proposed not to have anything to do with this matter until these Republicans who intended to conduct this affair in a Republican manner had shown what they intended to do. He denounced the whole affair as a shameful shirking and intention to smother a fair investigation.

Mr. Malone, moved to request the appearance of the Superintendent of Public Works. Carried.

Mr. Stilley moved to request the appearance of the Treasurer. Carried.

Mr. Hinnant moved to summon G. W. Swepson. Carried.

Mr. Seymour moved that all persons who have been Presidents of Railroads since May 1st 1865 in which the State is interested, be summoned before the Committee. Carried.

The Superintendent of Public Works appeared before the bar of the House.

Mr. Malone then propounded the following questions:

1st. Please state what Railroad Companies have failed or refused to report to you as required by law?

Answer. The Wilmington and Tarboro, W. C. & R. R. R., Chatham R. R., A. & N. C. R. R., Western Division of Western R. R. (no report from either Swepson or Littlefield) Eastern Division of the same Road, have not yet been received. The report of the Western R. R., received this morning.

2. Q. Have you demanded these reports?

A. I sent blanks for that purpose some two months ago.

3. Q. Have they or any of them refused to allow you to investigate the affairs of their roads?

Mr. Moore, of Chowan, objected to the question on the ground that the law gave no power to the Superintendent of Public Works, if the question applied to the books, &c.

The Chairman decided that the question was admissible.

Mr. Malone said:

Is it not strange that gentlemen would throw obstacles in the way of this investigation? The 4th section of the act defining the duties of the Superintendent of Public Works, requiring him to report, *in detail*, every item demanded by him.

Here is a refusal of these Directors to allow the high officer of the government to observe their condition. This is monstrous! Here is $8,000,000 of stock in the hands of these Directors. Shall we not have their condition fully exposed.

After a long debate, Mr. Moore, of Chowan appealed from the decision of the Chair.

Mr Seym ur also objected to he question.

Isham Sweat, thought the Superintendent of Public works had a perfect right to examine books of the Roads or the books of anything else that concerned the public works of the State, he did not understand why gentlemen should object to this question. By so objecting they placed themselves in an awkward position.

Mr. Argo made an able and conclusive argument, strengthened in his position by extracts both from the constitution and acts of the General Assembly, that the Superintendent of Public Works had a perfect right to examine the accounts and books of three companies. If that officer had no such power, how could he ever ascertain that companies were acting in good faith. How could he ascertain the facts which the law required him to report, unless this power was given him. The law was plain.

Mr. Moore said the debate had arisen because of the ambiguity of the question. He withdrew his appeal.

The Superintendent asked to be allowed to explain his position. He said that if he be allowed to examine the books it must be after the reports had been received.

Mr. Holden wished to amend the question adding the words "within the provisions of the law" to come after the word "you."

Isham Sweat, (colored.) said that these proceedings aroused his suspicion that gentlemen were determined to prevent investigation. Positions taken by gentlemen upon this floor excited his suspicion individually, that they intended to throw obstacles in the way of everything that *might* go to *prove anything*. He wished this assertion to go out to the people of the State. All this quibbling, was sustained by the Republican party, who had a majority in the House, tended to show that purposes existed to stave off all examination by offering all kinds of objections and amendments.

The question whether the amendment was in order gave rise to a long debate pending a decision, the Committee, on motion arose.

The Chairman reported progress and asked leave to sit again. Report adopted.

A message was received from the Governor transmitting a communication from the Treasurer declaring his willingness to put the House in possession of all the information he had, but declining to appear before the Committee of the whole to be investigated.

Mr. Argo moved to spread the communication and accompanying document on the Journal.

Objection was raised by Mr. Seymour.

The communication and accompanying document was ordered to be printed.

The House then adjourned until half past 7 o'clock this evening.

THE SENTINEL.

CITY AND STATE ITEMS.

WEDNESDAY, DECEMBER 8, 1869.

☞ THOS. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 3w

See "rooms for rent" by Maj. Russ" advertised to-day.

CONCERT.—We learn that the children of the Raleigh Baptist Sabbath School, will give a concert in "Tucker Hall," next Friday night. We hope they will have a crowded house.

We had a call from Col. W. F. Gray, lately appointed General Agent of the N. C. Land Company, last evening, a ecompanied by Col. Montgomery of California, but recently returned from a tour through the principal countries of Europe.

Col. Gray has been in a number of the large cities of the country, since his last visit here, and thinks the prospect for a large immigration to the State, very fair.

GRAND LODGE OF N. C.—The annual convocation of this body opened at Masonic Hall in this city, on Monday evening.—Present, Gen. R. B. Vance, M. W. Grand Master; Ellis Malone, Deputy G. M.; Jos. B Batchelor, R. W. Grand Senior Warden; S. H. Rountree, Grand Junior Warden Wm. E. Anderson, Grand Treasurer; D. W. Bain, Grand Secretary; F. C. Roberts, Senior G. Deacon; A. S. Heide, Junior G. Warden; W. H. Malone, Grand Marshal; J. M. Wiseman, Grand Sword Bearer; R. W. York, Grand Pursuivant; J. M. Betts, Grand Tyler.

R. W. Best, H. S. Lee and W. L. Love were appointed committee no. 1; and R. W. York, J. G. Ramsay and H. N. Harris, committee, no. 2, on credentials. These committees ascertained and reported the number of delegates. We did not get the report—there were about 175 lodges represented by some 200 members.

The Grand Master delivered his annual message, abounding in beautiful passages, many important legal decisions, and giving a general survey of the craft during the past Masonic year, which has been prosperous.

The Grand Secretary, D. Sutton (a chip of the old block,) submitted his annual report, which was a complete history of the transactions of that office.

After the discussion of some matters peculiarly masonic, the Grand Lodge adjourned to Tuesday morning.

The Grand Lodge convened on Tuesday morning—business mixed. Of that which may be written, we mention that R. W. York made a report on the address of the late Grand Master and a report of a committee of the Grand Lodge, in regard to a National Masonic Congress, substituting North Carolina instead of New York, as the place, and Jan. 1st, 1871, instead of 1870, as the time. After some discussion of the question it was indefinitely postponed.—Some other questions of minor importance were discussed and the morning session closed.

U. S. CIRCUIT COURT.—Nothing of importance yesterday. The cases argued and decided involve nothing new.

Messrs. John Manning and J. T. Morehead Jr., were present in the Court room during the session. Mr. Manning is a lawyer of distinction in the Chatham Bar, and was one of signers of the ordinance of May 20th 1861. He was also a gallant officer in the Confederate army.

Of Col. Morehead it is useless to say anything. He is too well known both upon the field and at the Bar. Of such men as Manning and Morehead, North Carolina has reason to feel proud.

AFTERNOON SESSION.—The Court reassembled and proceeded to the unfinished business of the morning, viz: United States vs. 8 Boxes Manufactured Smoking Tobacco. After the examination of the witness, the argument was opened by the District Attorney, followed by Messrs. Weed and Bragg. The District Attorney closed the discussion—the case was submitted, under the charge of His Honor, to the jury who after an absence of a few minutes returned a verdict finding all "issues in favor of the claimant of the property seized, and that said property is not forfeited to the United States."

YOUNG &c.—We tender our thanks to the Managers for a ticket to the Tournament and Coronation Ball, to come off at Kinston, N. C., on the 16th inst. We don't "tilt" no more, and are rather past the dancing period of life, notwithstanding all which, we never venture within range of such a battery of bright eyes as we know will be unmasked on this occasion, but we "git wounded and took prisoner." For this reason, and the fact that we are strictly engaged watching the "hands," who might venture on almost any "devilment" in our absence, we fear we shall have to forego the pleasure and delight that might be ours. "Twas ever thus," &c. &c.

THE EQUITABLE LIFE COMPANY.—We have failed, on account of a pressure for time and space, hitherto, to notice, editorially, the advestisement of the Equitable Life Assurance Society of the United States, by the agents for this State Messrs. Burroughs & Springs. As will be seen, Mr. Douglas Bell is the Local Agent for Raleigh, to whom applications for information in regard to the Company and for policies may be made. The terms and reliability of this Company seem to compare favorably with other similar institutions, we therefore call attention to it as among the competitors for public patronage in the insurance line.

ACCIDENT.—A negro boy was shot and instantly killed, in Brunswick county last week, by a white boy named Joseph Winfield Jordan Scott. It's a wonder the white boy didn't die, too, carrying all that name and a shot gun, besides.

NORTH CAROLINA CONFERENCE METHODIST PORTESTANT CHURCH.

THIRD DAY,

FRIDAY, Dec. 3, 1869.

The Conference was opened at 9 o'clock in regular form by Rev. A. W. Lineberry, President.

Nothing more than is usual in regular routine transpired till the afternoon, when Revs. Dr. Closs, Dr. Reed and Rev. Mr. Lewis together with T. C. Robbins, Esq., fraternal messengers from the North Carolina Annual Conference of the Methodist Episcopal Church South, were introduced and cordially received; whereupon Dr. Reed, read the resolution of their appointment, adopted by the late session of their Conference, accompanied by the address of the messengers, directed to the President and members of our Conference; and proceeded to address the Conference with renewed expressions of regard both personal and on the part of the Conference which they represented. He was followed by Dr. Closs, who addressed the Conference in words of fraternal regard and affection; followed by T. C. Robbins, Esq., and Rev. Mr. Lewis; whereupon the following resolutions were offered and adpoted:

Resolved, That we highly appreciate the visit of Revs. Dr. Closs, Dr. Reed, and Jno. W. Lewis and T. C. Robbins, Esq., fraternal messengers of the North Carolina Annual Conference of the Methodist Episcopal Church South, and that we have listened with delight to the remarks of fraternal regard delivered by these brethren.

Resolved, That the written resolution and address delivered to this Conference, be referred to a committee of five, composed of William H. Wills, Allison Gray and John Paris, Ministers; L. W. Batchelor and William A. Harris, Laymen, with the request they report any action they may deem proper for the Conference to adopt.

Resolved, That we appoint three brethren as fraternal messengers to the North Carolina Annual Conference of the Methodist Episcopal Church South, with a hearty expression of the christian regard entertained by this Conference, for our Brethren of that Conference.

Later in the afternoon, Rev. D. W. Bates and Dr. Dinkhouse fraternal Messengers from the Maryland Annual Conference, Methodist Protestant Church, addressed the Conference in the warmth of christian affection, and alluded to topics of interest to the Methodist Protestant Church.

These brethren have won upon the affections of the membership of the North Carolina Annual Conference, and will bear with them to their homes the kindest regards of our whole Conference.

Three o'clock to morrow afternoon was fixed upon as the time for the reception of the report from the special committees, appointed, to whom the resolutions above mentioned were referred.

There will be an appointment, on the part of our Conference, of Messengers to visit the next session of the N. C. Annual Conference of the Methodist Episcopal Church South.

FOURTH DAY.

The morning session was opened by Rev. C. F. Harris.

H. Waiser, Esq., President of the board of Trustees of Yadkin College, was invited to an honorary seat, and the report of the meeting of the board accompanied by an address to the Conference was read, and referred to a "Committee on Literature" composed of R. H. Wills, and C. F. Harris, Ministers and J. L. Ogburn, Layman.

This Institution of learning is situated in Davidson County, nine miles north of Lexington, and on the Yadkin River. It was long known as "Yadkin Institute" and has ever had the fostering care of Henry Walser, Esq, who appears again in the Conference, amidst his brethren to advocate its interests and to make yet further sacrifices for its perpetuity. Founded, to a great degree, through his efforts and contributions he may well claim it as his foster child. Raised to the dignity of a College, it was taking rank with other schools, when the war with its blighting, desolating influence closed its doors and destroyed its furniture to a great extent, and now the Trustees submit favorable propositions to the Conference, and invite us into the "field already to the harvest" desiring we should inaugurate a plan for its re opening and perpetual occupancy.

The communications from the "Central Sabbath School association" addressed to the Conference, its President and Secretary respectively, announcing the appointment of Rev. Joseph Causey, John W. Wood and William D. Hardin, Esqrs., "delegates to represent said association and to lay before the Conference its claims, were read and the said representatives invited to seats of honorary membership, 2 o'clock Tuesday P. M. being set apart as the time to hear any communication they may be pleased to make.

Rev. Ira T. Wyche, Agent of the American Bible Society, was introduced and received by the Conference, other business claiming its deliberations, no time was given to the Reverend Bro. to lay his mission in its prospects and its claims, before the Conference.

It is hoped that, the opportunity will be embraced ere the body adjourn.

Rev. W. H. Wills responded to the fraternal addresses of Revs. Bates and Drinkhouse, of the Maryland Annual Conference Methodist Protestant Church, delivered yesterday afternoon; expressing the best wishes of our Conference and gratefully accepting the kind feelings and sympathies of these brethren and the Conference they represent.

Many of the brethren addressed the Fraternal Messengers, both from Maryland and from the N. C. Annual Conference Methodist Episcopal Church.

Report of the special Committee of five appointed on yesterday. "The Committee appointed under a resolution of Rev. A. C. Harris M. D, to whom was referred the communication of the Fraternal Messengers from the N. C. Conference of the Methodist Episcopal Church South, submit the following report:

1. We are truly gratified at the renewal of fraternal relations between our sister Conference of the M. E. Church South, and our own, and that it was with unfeigned pleasure we welcomed the esteemed bearers of that communication, Rev. Dr's. N. F. Reed, and William Closs, and Rev. J. W. Lewis, and Frank C. Robbins Esq. With equal pleasure we heard the addresses of these brethren before the Conference.

We feel that we do but express the sentiments not only of our Conference, but of the membership at large, when we say that we believe the days in which the spirit of hostility and of acrimony was indulged are passed never to return: and that whatever ecclesiastical relations may in the future exist between us, we will do nothing to revive that spirit. We are sure that every interchange of fraternal courtesy, serves to bind our christian hearts closer and closer together; and if no higher results follow, this is well worth the continuance of the practice so recently inaugurated.

Your Committee might have closed if it followed only the text of the resolution of the N. C. Conference of the M. E. Church South in appointing their fraternal messengers. But it will be proper,

2. To refer to the communication, in part, of these brethren that accompanies the resolution. They say, "While we are not instructed to submit any definite proposition, the adoption of which would bring us in closer alliance, nevertheless, in view of our mutual antecedents on this question, we feel it will not be improper to say that those whom we represent would hail, with pleasure, any movement on your part tending to promote that end."

Your Committee would simply reiterate the sentiment expressed by this annual Conference in 1861, when it said, "If, indeed, a Union of the M. E. Church and M. P. Church can be effected upon terms alike honorable and satisfactory to both, none will rejoice at the consumation more than we."

Yet your Committee will be further allowed to say that as these messengers are not "instructed to submit any definite proposition," this annual Conference would not feel itself authorized to entertain any. That no seperate action of any other annual Conference would influence her to do, and that as an integral member of the Methodist Protestant family, her propositions have been submitted through her representatives in the general Convention of our Church, that assembled in Montgomery, Ala., in May, 1867, and that we will calmly await future developments under the leadings of, we trust, the providence of Almighty God.

Signed on behalf of the Committee.

WILLIAM H. WILLS, Chm."

DIRECT TRADE.—Between two and three thousand sacks of salt arrived at Raleigh yesterday, direct from Liverpool, by way of Norfolk, and the vessel which brought it over is loading with cotton at Norfolk, for Liverpool. Cotton is being shipped from Raleigh for direct exportation by this vessel.

QUEER VERDICT.—The Wilmington *Journal* relates that the foreman of a jury of inquest that sat on an old colored man in New Hanover, recently, who had been found dead, returned the verdict, "came to his death by accidental burning and old age."

Four of the Robeson county prisoners have been remanded to New Hanover jail.

SUSPICIOUS CHARACTERS.—Three suspicious white men have been observed hanging around the city for several nights.—*Wil. Journal.*

If you want to get clear of them brother *Journal*, organize an investigating committee, empowered to send for persons and papers.

A Universal Remedy.—"Brown's Bronchial Troches" for Coughs, Colds, and Bronchial Affections, now stands the first in public favor and confidence; this result has been acquired by a test of many years. Its merits and extensive use have caused the Troches to be counterfeited, and we would caution purchasers to be on their guard against worthless imitations.

Preparatory Medication.

The human system, the most delicate and sensitive of all created things, should be duly prepared to meet the shock occasioned by a sudden change in the temperature of the air. Even the solid metals contract and expand under cold and heat—so that if man were composed of iron, instead of frail tissues and fibres, circulating fluids and brittle osseous matter, his frame would not be proof against the vicissitudes of climate. As it is, it behooves every one, especially the feeble to fortify the frail tenement of mortality against the inclemency of the present season. A wholesome, strength-supplying vegetable tonic and alterative is the preparatory medicine required, and among medicinal agents of this character, HOSTETTER'S STOMACH BITTERS *stand supreme.* In a successful career of nearly a quarter of a century, the preparation has never been equalled or approached, and its sales are now larger than those of any half dozen articles, purporting to belong to the same class, that has ever been advertised in this country. As a remedy and preventive of DYSPEPSIA, and all its complications, it may be said to have *lived down competition* and to be the standard specific of the Western Hemisphere. A course of this genial restorative at the commencement of Winter is the surest safeguard against all the complaints which are caused or aggravated by exposure to cold.

Monteith's History United States.	

From Rev. C. H. Wiley formerly State Supt. of Education,

Bristol, Tenn., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weathersby, Prin Clas. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. English, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 26, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—R. E. Smith, Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction —G. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1858, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. Dugger, Prin. Male Academy, Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Albert Shaeber, D.D., Rector of St. Mary's, Raleigh.

The system of Geography.—Montieth and McNally—I am well pleased with.—Rev. Wm. S. Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan, Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained.—Dr. Wm. B. Harrell, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment, a charming school book.—Col. Wm. Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Closs, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Syracuse Ivey, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Obenchain, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical Series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. G. D. Bernheim, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Fox, President Stantonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson, Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Baughem, Cary P. O., uses the National Series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National Series of books, within my knowledge.—Prof. W. H. Merritt, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M. Caldwell, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian.*

This firm will allow no competition in the price of books published by them which are among the best in the State.—Statesville *American*, 1866.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot.*

Have acknowledged superiority by the most competent judges.—Western *Sentinel.*

Davies is excellent in the first degree.—Waldesboro' *Argus.*

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce.*

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post.*

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald.*

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

Knickerbocker,	$16,34
Equitable,	17,44
North America,	21,16
Brooklyn,	21,09
Universal,	37,24
John Hancock,	18,27
The National,	63,48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It insured more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 589 policies, received an income of seventy-eight thousand dollars, and possessed net assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,237 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested net assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
